

A person in a dark business jacket and light-colored top is shown from the chest down, sitting at a wooden table. They are carefully balancing a row of wooden blocks. The blocks on the left are falling over, while the ones on the right are standing upright. The person's hand is positioned to support the blocks. The background is a blurred cityscape. The text "Séparer famille et entreprise : est-ce si évident ?" is overlaid in white on the image.
